

The Red Hen Project is a small charity supporting families with children at 5 schools; Arbury, The Grove, King's Hedges, Orchard Park and Shirley.

Chris and Maria (Home School Project Workers) support families and provide a link between home and school. We work with families on lots of different things including; parenting/behaviour, bedtime routines, healthy eating, school attendance, benefits, housing, helping new families integrate into the community, information & advice on other groups & activities. as well as helping children and families with confidence. self-esteem. resilience.

We are delighted to share with you all that 'The Big Lottery Fund' will be funding the THE RED HEN PROJECT for a further 4 years 😊

Thank you all for your support.

This term:
